OBC Kids Camp Details

- ⇒ *The kids are typically divided by grade/age. This may vary depending on total number of kids and the age/grade breakdown. The boys and girls have separate cabins with a 1-2 counselors assigned to each cabin.*
- ⇒ *Kids will get their cabin assignments enroute to camp and find out who their counselors are.*
- ⇒ *Transportation to/from camp is via school bus.*
- ⇒ *We have busy schedule each day filled with Bible fun, missions, games and other activities like tubing, canoeing, swimming, archery, human foosball, mini golf and much more.*
- ⇒ *Life vests are required to be worn during tubing and canoeing. An adult in the canoe with the campers.*
- ⇒ *A swim test is done on Day 1 for each camper by the camp lifeguards. If the camper isn't a good swimmer, they will get a red wrist band to wear anytime they are in the water and must have lifejacket on.*
- ⇒ *Lifeguards / counselors are in the water with the kids at all times. A counselor is either on the boat with campers when tubing or at the dock.*
- ⇒ *We are the only swimmers/tubers in the lake at our designated swim time.*
- ⇒ *A private Facebook group is set up for camp parents and counselors only. This is one of the ways we will communicate when we arrive and depart camp as well as text messages via our church system. Pictures are also posted here for parents to see what's going on during the week. More info will come as we dates get closer.*
- ⇒ *Kids will call home one time while we are at camp and you will be notified which night that is.*
- ⇒ *There is a talent night, so if your campers want to participate, they can start working on what they want to do. If music is required, they must let Mrs. Kim know at least 3 weeks prior to camp so we have time to download the correct version of the song.*
- ⇒ *A parent and camper meeting will be held 1-2 weeks before we leave for camp. All campers/ parents need to attend. Final camp details will be given at the time.*
- ⇒ *For our previous campers, please note the cost of camp did go up due to rising costs of food and maintenance of camp. This is the first increase since we started going to Lake Swan 7 yrs. ago.*
- ⇒ *Please make sure you have a camper checklist to ensure your child has everything they need at camp.*
