Back to School prayer

Parents/Families

As the new school year begins in the next few weeks, please join us for a day of prayer for our students, schools, teachers and support staff. We encourage you to bring your children with you to pray. A prayer calendar will be available to take home and use during the month.

Tuesday August 8th - 8am to 4pm

The Bible tell us so little about Jesus's childhood. But there is one tiny verse that encompasses the monumental years of his youth:

***"AND JESUS GREW IN WISDOM AND STATURE, AND IN FAVOR WITH GOD AND MAN."* -LUKE 2:52**

IN WISDOM

Lord, I pray that you will allow my child to grow in wisdom this year. I pray that they will learn everything they are expected to know academically. I pray that they will be successful in their studies and they will be a diligent worker in what is asked of them. Most of all, Lord, I pray that you would allow my child to grow in YOUR wisdom. Help them to learn more about your character through their interactions with others. Help the scriptures and stories we have been sharing with them from your Word to be a lamp to their feet and a light to their path. Give us, their parents, the wisdom to help them discern between right and wrong in the situations they are faced with this year. Above all else, help them learn to love You more.

IN STATURE

Lord, I thank you for the lives of our children. I thank you that they are healthy. I pray that you will protect their bodies and help them to continue to grow strong. Protect them from illness and harm, Lord.

As school begins, I pray that they will know that they are created in *your* image. I pray that they will know that is "fearfully and wonderfully made". I pray that they will know that You created them exactly the way that you want them to be. At times, words from others can be cruel. Protect their hearts and help them to rest in the truth that they are a priceless gift to us and, most importantly, to You...so much so that you sent your Son for them.

IN FAVOR WITH GOD AND MAN

Lord, I pray that you would allow my children to be a light for you. I pray that they would be obedient to their teachers and kind to their classmates. I pray that they will show kindness and compassion to *everyone*, but especially those who are treated poorly by others. Give them the strength to stand up for the outcasts. I pray that they will have integrity to do the right thing even when no one is looking. Help them to surround themselves with people who will help them grow closer to you. I pray that they will be both a leader *and* a follower- a follower of yours but a leader for their peers. Help their words and actions to be pleasing to you.
